

# Daisy Home Learning

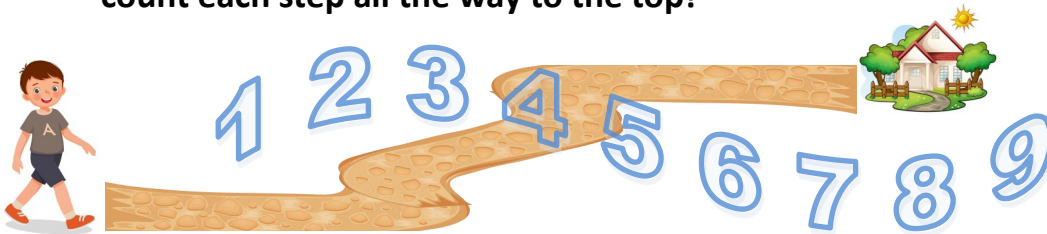

Can you get cosy and share your favourite book wrapped up in a blanket.

Can you go on a spring walk? Can you see any signs of spring, flower buds, daffodils?

Can you count the steps along the path to your home? If you have stairs, can you count each step all the way to the top!

Can you make some Homemade Bubbles -  
1 cup of granulated soap or soap powder,  
1 litre of water and food colouring
